

## BARS & RESTAURANTS

# Be the place they come together.

When people go out together, they always gather around something. Let great music be the centerpiece. Get TouchTunes and make your venue where everyone wants to be.

### With a TouchTunes jukebox you'll have:

#### Music that makes you money

Get a jukebox at no cost and earn a share of revenue from songs played.

#### Fully licensed music

Music played from the jukebox is licensed for use in your venue.

#### Customizable music catalog

We can filter the music to perfectly match your vibe.

#### Hassle-free

Service of the jukebox is included.

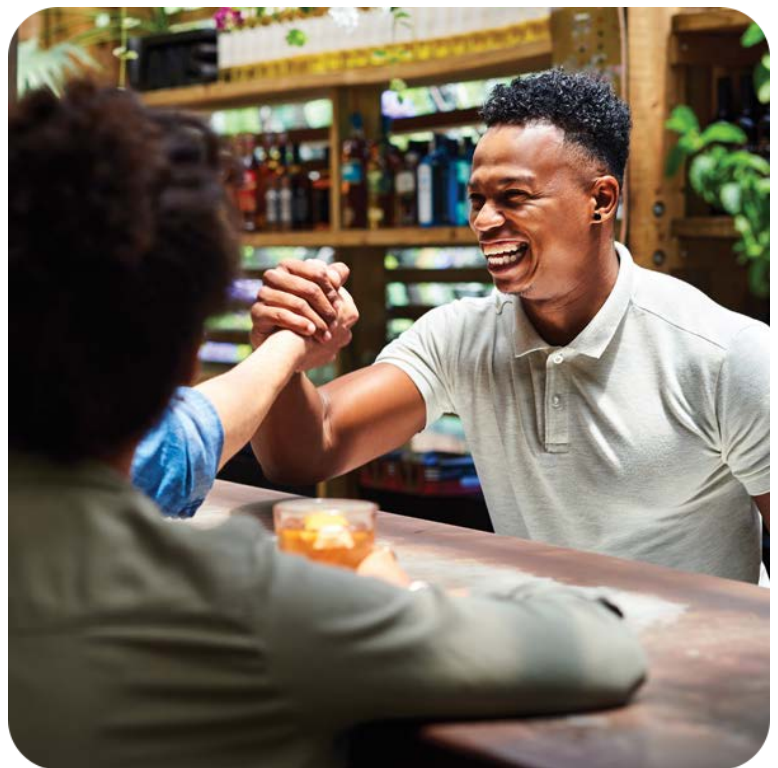

#### Build loyalty, traffic & dwell time

More than 1.3 million monthly TouchTunes users visit their favorite locations to play. Chances are, some of your patrons already have the app and are ready to play!

### Grow your revenue with Bar Rewards.

Location owners, managers, & staff can join the free Bar Rewards program. Members are incentivized to promote the jukebox with the ability to get free weekly credits and entry into exclusive sweepstakes. Incentives for staff inspire more plays & more revenue.

# The jukebox that fits anywhere.

## Fusion Barrel Edition

Designed to be Designed.  
The Fusion adds to any restaurant aesthetic.

## Angelina & Angelina MP

A sleek design full of class, the Angelina and Angelina MP are colorful and vibrant. Angelina MP is app-only, driving app usage.

## Virtuo

Make a statement with an equalizer that moves to the music. It is a call to get together, drink, and have a night to remember.

## The app that does it all.

With the TouchTunes app, guests can play the jukebox right from their phones and queue up their music without leaving their seats.
